

# WLE STAFF SPOTLIGHT

William Lynch Elementary

Fall 2017

## Julie Dunn

Mrs. Dunn helps us fulfill our mission of ensuring that our students become safe, respectful learners by serving as an early childhood special education classroom teacher. She joined the Developmental Preschool this year. For the first time, Mrs. Stephanie has a counterpart. Julie and her family have joined Dent County to serve as educators here, and we are so excited to have them. Although this is her first year working with the littlest learners, she has years of experience working with special education. We are honored that she has chosen to bring her experience and passion for kids to our district and this important program.

*“She is a sweet lady who is working so hard in her classroom. She is tender with her words and voice with her students and those around her.”*

*- Stephanie Floyd*

### What the kids are saying

We asked some students questions about Mrs. Dunn. This is what they had to say...

#### **Q: What is your favorite thing about Mrs. Dunn?**

A: Jase: “She takes me outside.”  
Reece: “She gives us wood to do our activity.”

#### **Q: What does Mrs. Dunn say most?**

A: Jase: “Get in line.” Reece: “Hands up. Stand up.”
