

## SALEM R-80 GRADES 6-12 LEVELS OF LEARNING

**PLEASE NOTE:** *Although the approved plan below covers grades 6-12, it is only being implemented at the HIGH SCHOOL level (Grades 9-12) at this time, beginning October 9.*

The theme of this school year is adaptability. Even with the collaborative and careful preparation of our safe reopening plan, we are prepared to adjust our plan to fit the constant changes going on around us. Circumstances may require the District or individual school buildings to reduce capacity or pursue fully virtual learning in the future. Three potential levels of learning have been prepared as our circumstances change throughout the year. Our goal is to be with students face-to-face as much as possible.

The decision to reduce capacity or close the District or individual school buildings may be made as a means to prevent further spread of an epidemic, or in response to high student and/or staff absenteeism. The Superintendent will make school closure decisions in consultation with the Dent County Health Department. Current CDC recommendations will help guide closure decisions.
